CONCEPTS

CUSTOM FIT & SPONSORSHIPS CONCEPTS

The Concepts department delivers tailor made creative concepts which lead to highly effective campaigns. Native advertising, branded content, marketing partnerships, activities with the community, testpanels (generating reviews) and editorial collaborations are examples of possible campaigns. These campaigns can be setup via different platforms; online, mobile, video and (offline) events belong to the possibilities. Contact us for more information.

Testpanel	from € 2,500	per unit
